

Dear All,

I hope you are keeping well; I imagine, like me, you are hoping for some easing of the “lockdown” when the Prime Minister speaks on Sunday.

I have been pleased to hear of the ways you have kept Chaplaincy, Eparchy, and Mission activities going “online”. My reflection for the 5th Week of Easter, which I hope is a useful resource for you, has a special focus on the Internet as an ongoing aid for the Mission of the Church.

- I am forwarding an attachment to you (in addition to the Reflection): A draft of the Punjabi Chaplaincy insert for the Website of the Archdiocese; pictures will be added. We would like to have every Chaplaincy, Eparchy and Mission featured in this way so that the wider Church becomes more aware of the rich international and multicultural Church we are blessed with in the Archdiocese. **I look forward to receiving your contribution, please.**
- Heather, our Secretary, sent me a picture of her baby son Maximilian Joseph. He looks so well and healthy thank God. On our behalf, I have congratulated Heather and her husband, Tom.

With prayers and all good wishes
Monsignor Daniel McHugh

Monsignor Daniel McHugh

Co-ordinator for Ethnic Chaplaincies in the Archdiocese
