

Newsletter St Peter and St Paul 28 June

Dear All,

I am sure you look forward to hearing about the **arrangements for starting to celebrate Sunday Mass** once more. Those not in this Archdiocese will find it helpful to go to the Diocesan Website so that you can be aware of local Church plans. Those who have **responsibility for PPE**, signage and so on, may be having difficulty getting what you need from Church Market Place, so I am attaching an email from an alternative trusted supplier you may wish to approach. I can let you have a mobile for Eric Burrell, if you wish to make personal contact.

Some of you will know I have assisted the Bridgettine Sisters at Maryvale by setting up the streaming of the **Sacred Heart Novena Masses** by the Priests they had approached. Afterwards, I wrote a wrap-up review for the Diocesan Website and I am attaching it for you. I took the opportunity to praise the Sisters work and to gather **information about the Adult Education Programme** conducted by the Institute. You may wish to consider a course yourself or to encourage key people in your Chaplaincy, Eparchy or Mission, to take up a programme there. The whole aim is to prepare people for Mission in the Church.

In my **Homily/Reflection** for the Solemnity of St Peter and St Paul (attached), I conclude by encouraging people to visit the Blessed Sacrament for a personal encounter with Our Lord. The **Dominicans at Oxford have produced a lovely video** taking people through how to use a visit to the Blessed Sacrament for Prayer. I am providing the link to that: I recommend you pass it on to your people.

I notice the **Holy Father's Prayer Intention** for July focusses on "Our Families: we pray that today's families may be accompanied with love, respect and guidance." I used to link this monthly intention to the First Friday of the Month.

With prayers and all good wishes as we prepare for the "new normal"

God Bless

Mgr Daniel McHugh

Monsignor Daniel McHugh

Co-ordinator for Ethnic Chaplaincies in the Archdiocese
