

Rome @Home

Please use this logo cover to stick onto any box and place it on the Sanctuary in the weeks leading up to the World Meeting of Families.

When you give out the prayer cards to your parishioners, please explain that one is for them to keep to pray together regularly at home, the other is for them to take away and to complete with the names of their families. These can be placed in the box at a convenient time - perhaps it can become part of the offertory that a basket, which is at the back of church to receive the cards, is brought up with the gifts. Or families are invited to come and place their card in the box at the beginning or end of Mass.

It is very tempting to think of family as those with two parents and small children but it is important to realise, and to reassure people, that **we are all part of a family, thus this is something in which everyone can participate.**
