What our validators say:

'Student performance demonstrates a very good quality of teaching and learning. Students are capable of clearly presenting the knowledge acquired, oriented towards true pastoral care.'

What our students say:

'The material covered on the course, its delivery in such a prayerful setting and the professionalism of the instructors was awesome.... Each module was like a chapter of the most exciting book I had ever started.'

'Distance learning has been very beneficial and Maryvale has facilitated it very well.'

'The overall quality of the Maryvale Course has been wonderful for me. The Course Materials have presented a clear presentation of the faith which is comprehensive and orthodox.'
